Forecast For Northeast England
Issued by Met Office Exeter
at 1600 on Saturday 05 Jun 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Patchy rain after midnight, sunshine and scattered showers tomorrow.

This Evening and Tonight:
Dry with some clear spells to start, but thicker cloud bringing some patchy rain after midnight. Any rain then clearing east by morning with cloud breaking again. Minimum temperature 11 deg C (52 deg F).

Sunday:
Variable cloud, but generally dry with some sunny spells through the morning. A few afternoon showers breaking out, the odd one heavy and perhaps thundery. Light winds. Maximum temperature 20 deg C (68 deg F).

Outlook for Monday to Wednesday:
Sunny spells and scattered showers on Monday. Sunshine and just the odd shower possible on Tuesday. Wednesday probably dry and bright in the east, but rain likely in the west.
